

ORIGINS

Week 5 • 13 Nov • Creation Care

God has made all things, all time, all places and all people. He made us in his image to purposefully engage with his creation as he does.

1. What place or occasion moves you to worship God whenever you think of it?

2. Review Job 38 and 39. Select an appropriate section for your life group. Read aloud that section. What question asked is most humbling, or inspiring of awe and wonder?

3. Which point from the message impacted you more:
 - a. Being part of God's creation is part of my and others identity
 - b. We were made in God's image, to emulate God's care for his Creation

4. There were two traps that we might fall into:
Falling into False Worship, and
Apathy and Disregard for God's Creation
 - a. Which is a greater risk for you?
How do you guard your heart and mind from this?
 - b. How do we encourage each other to avoid these sins?
 - c. How might you live a grace-filled life that contradicts these ideas?

- d. How do you live a life that contradicts these lies in our wider society? What cost might you need to pay?
5. The question is not so much *should* I care, but *how* will I treat the gift of God?

Share your thoughts, dreams and aspirations and then spend time commissioning each other in prayer for what God has placed on your hearts and minds.
